

MERRY CHRISTMAS
and Happy New Year

from James, Jill and
Peter (8 mo)

*We've been blessed so far in
Naples, FL on James's
vicarage, and we can hardly
believe that our year here
will soon be halfway done!
Peter does crawl around
nowadays, but much prefers
to pull himself to standing
on any object available, and
tries to make up for his
skinny genes by eating a ton.*
